

Consultancy Services

We are very proud of the vast experience that several members of our staff have gained over the years in General Management, Housing Management, Finance and Personnel matters. The costs of employing Consultants can be excessive for both "small" and "medium" sized housing associations. We believe that we are ideally placed to offer a competent consultancy service, at a reasonable price, to help you to solve any difficulties that you may have. A brief "thumbnail" sketch is given below of the experience that we have available: -

Geoff Round - has 30 years experience within local authority housing and experience with housing associations at senior management level both within urban and rural areas since 1993. He is an accredited Management Development Advisor with the Local Government Training Board and has in recent times acted as a consultant to an L.S.V.T. and A.L.M.O. on "Best Value".

Roger Chapman - is a qualified Chartered Public Service Accountant with over 30 years experience in local authority finance and with housing associations since 1993. He has extensive financial experience at all levels together with experience in establishing the training needs of financial staff and developing training programme to meet these needs.

Bob Spence - has over 30 years experience of the supply and management of estate based services. He has also supplied consultancy services for R.S.L's, local authorities and public utility suppliers on housing allocations, repairs & maintenance, rent/ arrears collection with associated housing benefit issues, neighbour nuisance/anti social behaviour and Supported Housing.

Dave Hurst – has over 30 years experience working in social housing with the majority of time being spent with allied personnel matters. He is ideally placed to assist with any personnel/ human resource issues including recruitment & selection, employee relations, staff structure/ grading reviews, welfare & attendance monitoring, performance monitoring and any other training/ personnel issues including work experience placements.

If you feel that we might be able to help you please e-mail us with your requirements and any questions. We will do our best to advise you.
