WELCOME JIM MCLIDDY

Following Norman Clowes retirement a new Repairs Manager has been appointed, he is Jim McLiddy.

Jim trained as a Painter & Decorator, but became a Surveyor when he worked for the City Housing Department. He will soon become a familiar face to all tenants as he intends visiting each of you during the year. When you meet him you will see he is very light on his feet as away from the office he and his wife are keen dancers.

Welcome Jim.
